Message From The President

If you missed it, you have missed one of our most successful and entertaining event ever! Though not our largest event, still more than 150 people braved the Friday evening traffic to attend our Malaysian Night Dinner and Dance with Khatijah Ibrahim and the Kuala Lumpur City Hall Dance Troupe.

Those that attended were treated to artisans crafting rug, making kite, painting batik and artwork before the show.

At Showtime, the audience was mesmerized with dazzling performance by the dancers and singer. What an unforgettable night! Many thanks to Tourism Malaysia and Malaysia Airlines for their contribution.

Members poured out to help and participate the next day at the Lotus Festival as well. Manning the booth and rowing the dragon boat race were some of the fun we did together.

The time and effort put in by these members is what make our association cohesive and strong. MASC thanks you!

MASC needs to thank our Consulate General as well for inviting all our members to Belacan Grill restaurant to celebrate Agung's Birthday. The good food and usual 'smoozing' among fellow Malaysians help to mark the occasion quite well.

Did you missed that too? With so many events going on and still to come, you might want to consider staying in touch with MASC and be apart of the community (read: renew your membership).

Do join us and cherish Malaysia and all its wonderful traditions and cultures as Malaysians would in a far away land. See you in our coming events. Do not miss out again!
